Message from the Detachment Commander

I am pleased to present the Dufferin Detachment – 2024 OPP Detachment Board Annual Report. This report includes crime, traffic enforcement and community well-being data and highlights initiatives and successes from the past year. This report provides updates on our progress in meeting our Action Plan commitments. I am proud of the work undertaken by our detachment.

We responded and collaborated with our communities by focusing on the reduction of harm and victimization. Our newly formed Domestic Abuse Issues Investigators (DAII) review all intimate partner (IPV) occurrences. We continue to fulfill our responsibility to respond competently to the immediate and long-term needs of victims while demonstrating to offenders that society does not tolerate violence. We saw decreases in drug and property crime occurrences through proactive investigative policing-excellence. We prioritized our Offender Management Apprehension Program (OMAP) and deterred criminal activities of high-risk, repeat offenders.

We continued our relentless efforts at modifying driving behaviours by focusing on engagement, education and enforcement of the “The Big Four” causal factors of collisions 24/7/365. We listened and responded to community concerns focusing on protecting vulnerable road users, commercial motor vehicle safety and security and illegally modified vehicles.

We continued to partner with Headwaters Health Care Centre to deliver an incredibly effective co-response model that enhanced our ability to respond to mental health-related calls.

We prioritized our member’s professional development along with physical and psychological health and safety. Our valued members are our strength and we will continue to prepare them to better meet the future needs of our communities.

In 2025, we will be working with our four OPP detachment boards – Dufferin OPP Detachment Board-Melancthon Township, Town of Mono, Mulmur Township; Orangeville OPP Detachment Board; Dufferin OPP Detachment 2 Board; and the Southwest Dufferin OPP Detachment Board to form the 2026-2029 Dufferin Detachment Action Plan. This work will include engaging with community members to ensure the needs of the communities we serve will be reflected in the commitments we make. Development of the 2026-2029 Dufferin Detachment Action Plan will coincide with the creation of the 2026-2029 OPP Strategic Plan to ensure organizational alignment and support.

The Dufferin Detachment – 2024 OPP Detachment Board Annual Report begins to bridge the gap between *Police Services Act* (PSA) and *Community Safety and Policing Act* (CSPA) reporting requirements.

From detachment administrative staff to frontline uniform members to specialty units to supervisors, our members continue to serve with pride, professionalism and honour. As we anticipate future challenges and opportunities for policing and community safety, we remain dedicated to our mission of serving our communities by protecting citizens, upholding the law and preserving public safety.

Inspector Michael Di Pasquale
Commander, Dufferin Detachment

Through analysis and consultation, the following areas of focus were identified for the years 2023-2025.

Crime	Roadways, Waterways and Trails	Community Well-Being
To address and prevent multijurisdictional violent crimes and crimes of opportunity including auto thefts and frauds. Address recidivism, repeat offenders with bail violations, and the number of wanted persons at large in our community. Address intimate partner violence. Reduce illicit drug activity.	To sustain a continuous and year-round focus on the causal factors of motorized vehicle collisions.	Enhance the Mobile Crisis Response Team (MCRT) and strengthen partnership with Headwaters Health Care Centre. Engage and educate youth, in partnership with local school boards and other community organizations. Increased OPP attendance at community events and festivals through the Auxiliary unit. Protect vulnerable members of the community who may wander from cognitive impairments such as Alzheimer’s or Autism by implementing Project Lifesaver.

2024 Crime Progress Updates

Commitment	Progress Update
To address and prevent multijurisdictional violent crimes and crimes of opportunity including auto thefts and frauds.	Dufferin OPP utilized resources available through Project Clasp to address and prevent auto thefts. Project Clasp has proven itself successful as a collaborative approach to addressing auto thefts in Central Ontario through four key strategies: enforcement, training, intelligence and public awareness. Led by our Community Response Unit (CRU) and auxiliary officers, Dufferin OPP participated in regular crime prevention education activities, town halls and presentations to educate and engage with members of the public about public safety priorities, including our vulnerable communities, youth/children, local businesses and financial institutions. We provided our officers with internal and external developmental and training opportunities to become more effective criminal investigators. This allowed us to build capacity and promote succession planning to support our Major Crime Unit and Community Street Crime Unit (CSCU) and other growth and development opportunities. Officers continued to enhance our community's sense of safety through strategic patrols relying upon data analysis and information garnered from community concerns. A mixture of vehicle, foot and bicycle patrols were leveraged, including the deployment of e-bikes.
Address recidivism, repeat offenders with bail violations, and the number of wanted persons at large in our community.	Dufferin OPP prioritized our OMAP efforts by ensuring that persons on release orders or bail remained in compliance with their release conditions. Our officers began using the Provincial Bail Compliance Dashboard (PBCD) as a situational awareness and investigative tool to assist them with their responsibilities. Our detachment continued with ongoing efforts at holding wanted members accountable. Officers safely located and arrested these persons in a timely manner.
Address intimate partner violence.	In 2024, Dufferin County declared IPV an epidemic. We acquired two DAII positions to review all IPV occurrences to support victims of crime and ensure continued investigative excellence. DAII's ensured that referrals to local support agencies were made and there was ongoing communication with victims and witnesses throughout the court processes. DAII's continued to collaborate with community agencies (i.e., Caledon/Dufferin Victim Services, Family Transition Place, local shelters, etc.) to provide outreach and resources.

Reduce illicit drug activity.	Dufferin OPP's CSCU continued to collaborate with specialized police units to effectively deter, detect and investigate property and drug crimes across the county. Approximately 148 criminal charges were laid, and multiple search and arrest warrants were executed. Through their efforts, Dufferin OPP's CSCU saw a reduction in property and drug crimes and increased feelings of safety in our communities.

2024 Roadways, Waterways and Trails Progress Updates

Commitment	Progress Update
To sustain a continuous and year-round focus on the causal factors of motorized vehicle collisions.	On an ongoing basis, Dufferin OPP continued to collaborate with road safety partners to prioritize this area of concern for our communities. On an ongoing basis, we relied upon data and complaint-driven areas to identify hot spot areas to focus our enforcement and visibility efforts. Officers utilized this information to ensure that they were strategically deployed to the right places and times to effectively prevent and respond to road safety issues while being flexible to changing demands and community expectations. Our officers prioritized “The Big Four” 24/7/365. They led the region in 12 provincial traffic safety campaigns throughout 2024. Our officers conducted regular commercial motor vehicle safety and security initiatives in partnership with local detachments and law enforcement agencies/MTO throughout the year. We effectively responded to community concerns by developing localized traffic safety campaigns that supported vulnerable road users (pedestrians, cyclists, etc.) and illegally modified vehicles. Our officers are provided with the right tools and training to effectively promote road safety across the county. We are proud of their hard work and we continue to rely upon our community members to drive responsibly and prioritize road safety.

2024 Community Well-Being Progress Updates

Commitment	Progress Update
Enhance the Mobile Crisis Response Team (MCRT) and strengthen partnership with Headwaters Health Care Centre.	Dufferin OPP's MCRT continued to proactively engage with vulnerable persons in our communities, including the unhoused, to ensure that they were kept safe and to connect them with resources for those who were willing to accept. We are very proud of our continued collaborative partnership with Headwaters Health Care Centre. We are finalizing a Transfer of Care Protocol that will aim at reducing police wait times at the hospital. We continued to provide officers with MCRT training to assist them in their daily responsibilities. This training has allowed our officers to more effectively and safely interact with the community, in particular, persons in crisis. Our officers helped promote improved outcomes by providing persons in crisis with referrals to community partners who are better positioned to support their individualized longer-term needs. Our collaborative partnerships continued to have a positive impact in diverting persons away from hospital unnecessarily; thus, improving outcomes for the entire community.
Engage and educate youth, in partnership with local school boards and other community organizations. Increased OPP attendance at community events and festivals through the Auxiliary unit.	Led by our CRU and auxiliary unit, Dufferin OPP conducted presentations to schools and community partners about issues that impacted their safety and well-being. We utilized traditional and social media to communicate targeted messaging focused on educating and engaging with youth, marginalized groups and parents/guardians who support them. Our auxiliary unit continued to proudly represent the Dufferin OPP at community events and festivals alongside our officers. These outstanding volunteers conducted presentations on topics impacting crime and traffic priorities in our community and supported community patrol initiatives.
Protect vulnerable members of the community who may wander from cognitive impairments such as Alzheimer's or Autism by implementing Project Lifesaver.	Led by our CRU and auxiliary unit, Dufferin OPP also participated in several in-person presentations, town halls and engaged the community through social media about the protection of vulnerable persons in our community. We continued to leverage Project Lifesaver as an effective tool to locate persons who may wander due to cognitive impairments and to safely reunite them with their families.

Other Community Updates

- Dufferin OPP created a collision reporting centre (CRC) at the Primrose office which is centrally located to serve the county. The decision to place the CRC here was also made in reviewing historical collision data and will continue to be re-evaluated. The CRC has proven itself to be effective in providing our community with a safe and effective way to streamline collision reporting. It has also freed up our officer's time, so they are available to respond to higher priority calls for service and to enhance their daily proactive patrol and community engagement efforts.
- Dufferin OPP utilized data analytics to develop "focused patrols" to target community concerns, including collisions, LCBO thefts, auto thefts and mischiefs to parks. Our efforts reduced crime and traffic occurrences and future calls for service by placing officers at pre-determined locations, including dates/times and focus to curtail unlawful activity.
- Dufferin OPP continued to engage with diverse groups and organizations in our area to build relationships and promote community safety and well-being. In 2024, we celebrated events and flag raisings with multi-cultural events across the county including Black History Month with the Dufferin County Canadian Black Association.
- Dufferin OPP continues to promote the OPP as an employer of choice. Every member of our team is a recruiter.

Policing Hours

The OPP has developed a Service Delivery Model (SDM) in response to several reviews and audit recommendations. The SDM is designed to:

- Promote officer wellness through balanced workloads
- Determine adequate staffing levels at each detachment
- Ensure the continued delivery of adequate and effective policing services in accordance with the Community Safety and Policing Act (CSPA).

To implement the SDM, the OPP has submitted a seven-year staffing strategy to address required increases in detachment personnel. This model supports the OPP’s ability to:

- Respond rapidly to increasing calls for service
- Maintain safe communities through proactive patrols and community engagement
- Address municipal concerns about reduced police visibility

To monitor progress and guide detachment-level planning, the OPP has established time allocation targets for provincial constables (figure 1). These targets reflect how time should ideally be distributed by the end of the seven-year strategy.

The targets are based on a provincial average and variations are expected between detachments due to differences in geography, operational structure, recruitment and other absences.

In the short term, detachments may face challenges in achieving these targets. Continued improvements in scheduling tools, data integrity, and strategic deployment will support progress toward these goals.

REPORT AN INCIDENT ONLINE

You have the option to report select occurrences to police from the convenience of a computer.

Visit www.opp.ca/reporting to use the Citizen Self Reporting system. Specific incidents can be reported online without attending a detachment or waiting for an officer.

You can use this system to report:

- Theft Under \$5,000
- Mischief / Damage to Property Under \$5,000
- Mischief / Damage to Vehicle Under \$5,000
- Theft from Vehicle Under \$5,000

Do not use this system if this is an emergency! If it is, call 9-1-1.

9-1-1 is for police, fire or medical emergencies only.

Accidental, hang-up or abuse of 9-1-1 calls tie up emergency lines, communicators and officers which could result in the slower response to a real emergency, risking the safety of people who need urgent help.

#KnowWhenToCall

If you've dialed 9-1-1 in error, stay on the line. Your call will be connected to police. Answer all questions asked by the communicator. This eliminates a lengthy follow up process that may lead to officers attending your location to ensure your safety.
