Re: Grand River Conservation Authority Strategic Plan 2025-2029

On behalf of the Grand River Conservation Authority (GRCA), we are pleased to share with you our updated Strategic Plan.

The GRCA's 2025-2029 Strategic Plan provides the organizational framework to help address the emerging issues of the Grand River watershed over the next five years. The Plan is the result of a collaborative process, engaging the GRCA Board and Senior Leadership Team, First Nations (including Six Nations of the Grand River and Mississaugas of the Credit First Nation), and a variety of other interest holders.

The Strategic Plan's pillars and priorities are consistent with the new legislative framework, and a new pillar related to organizational sustainability is introduced, ensuring the GRCA is ready to face the challenges and opportunities of the future.

With this refreshed Plan, the GRCA will continue to work toward our vision: A healthy watershed that connects, strengthens, and sustains resilient communities. Please feel free to reach out to us if you have any questions.

Yours truly,
