To our remarkable and selfless municipal leaders at the Town of East Garafraxa, We are incredibly grateful to have you championing our small towns and their limited resources within our community. We hope that as a municipality, you will consider forming a team for the Coldest Night of the Year, our largest annual fundraising event, to support our Orangeville Food Bank services. The towns of Amaranth and Orangeville have already stepped up to fight against food insecurity in our community, and today, we invite you to join this important movement. This family-friendly event features a 2 or 5 km walk through the picturesque streets of downtown Orangeville, starting and ending at the food bank. Following the walk, we will celebrate in our back parking lot with a festival atmosphere, honoring those we serve by coming together over a chef-prepared meal. Please click on the link below for all the information and never hesitate to reach out if you have any questions.
