Good afternoon Jessica,

In December, we shared year-end assessment base information with municipal CAOs and finance staff along with MPAC's [2024 Municipal Partnership Report](#).

This report highlights MPAC's key achievements in 2024, some of which include launching the Housing Inventory Map and Property Pulse Dashboard, exceeding our service level agreement target, and strengthening our data strategy. We're excited to share these insights and more, and demonstrate how they can transform your operations.

The report has been shared with municipal finance staff and is now being provided to you should you wish to share with Municipal Council.

Please contact a member of the [Municipal and Stakeholder Relations team](#) should you have any questions about this report.

We look forward to working with you this year.

Yours truly,

Mary
